The Stewards' report shows that our Circuit assessment has been increased for the year 2016/2017 by **£1007.00p.** (details of the various circuit expenses are on the notice board at the back of the church). Working from this, we have calculated that it would be helpful if the average amount in our weekly Sunday offerings could be increased by an average of £1 per worshipper. Please prayerfully consider increasing your giving to help offset this weekly amount, so that we may meet our assessment and continue to be a witness to God's work in Burton Latimer. *Thank you. Your Stewards.*
