Are you interested in taking part in and creating meaningful worship?  
The Meth.Church has devised a contemporary interactive course for  
those who want to be involved. It is devised in a way that will  
encourage regular churchgoers to think more deeply and creatively  
about our times of worship together. Much of the course is available  
on line for personal reflection and study. The group would meet on a  
monthly basis for enthusiastic discussion and practical application,  
beginning in the New Year. If you would like to join us, please get in  
touch with Kate Horrix. [katehorrix@uwclub.net](mailto:katehorrix@uwclub.net) or 01536 790877.
